## A Very Special 34<sup>th</sup> Summer Rec!

For 34 years, LOV has been providing its free Summer Recreation in the Parks program to the Tri Cities of Fremont, Newark and Union City. This year, we've added some great events, sponsors, activities and prizes that will make 2014 better than ever. And new - you can sign up for any or all of the weeks with our flexible registration process.

### New Developments & Improvements

This year, LOV tapped the amazing power of our local youth volunteers to form YES - Youth Encouraged to Serve. These 16-18 year old students are the masters behind this year's fun and activities.

We're also creating Leadership Teams of interns and students who will man the program and bring your children the safe, healthy and kid-tastic program you expect from LOV.

Check out our new ONLINE REGISTRATION and registration appointment scheduling available on our website at <http://www lov.org>.
