Dear Brian Deering,

Thank you for your continued support of the Alameda County Community Food Bank through your donation of 26,125 pounds of food from July of 2014 through September of 2014. Your contribution helps feed our neighbors in need all over Alameda County.

Your support of Alameda County Community Food Bank's work is critical to the fight against hunger. According to a recent hunger study, we now serve 1 in 5 people in our community – two-thirds are children and seniors. We recognize that you and your staff put significant time and resources into this program – and it's because of local leaders like you that we're making significant steps towards a day when no child or adult in our community goes to bed hungry.

Finally, I'd like to invite you and your organization for a tour of our facility. We'd love the opportunity to show you first-hand what your efforts are a part of, and to share more about our work with you. Please contact me at **(510) 635-3663 ext. 361** or [acondon@accfb.org](mailto:acondon@accfb.org) to schedule a visit, or for more information about our work.

On behalf of the Food Bank, and the 116,000 people we serve every month: thank you.

Sincerely,

Annie Condon  
Food Resource Development Coordinator
