Dear Mr. Deering,

Thank you for your support of Lee Mathson Middle School through your generous donation of positive incentive items such as tickets to the Raiders game as well as the Chevy's free child meal and beverage certificate. Your contribution assisted us in messaging to our students that positive behaviors such as achieving excellence academically or supporting their school by doing community service are recognized and rewarded.

Your support of Lee Mathson Middle School is integral to our mission to serve students from a holistic perspective while developing their ability to learn and lead. By giving us the ability to recognize and honor the good work of our students you enable us to build their capacity intrinsically to do good works in both school and the community. It is through efforts such as yours that we as a school are able to support both our students' learning and social development.

On behalf of the administration, staff, and students of Lee Mathson Middle School thank you once again for your generous donation. We look forward to continue partnering with your organization to support our mission for all students to learn and lead.

Sincerely,

Oscar Leon
Principal
